

Privacy Policy for MyJarvis Application

Effective Date: 20 May 2023

Thank you for using MyJarvis, a mobile application developed by Mathéo Grail. This Privacy Policy outlines how we collect, use, and disclose information when you use MyJarvis. By using the application, you agree to the terms and practices described in this policy.

1. Information We Collect

MyJarvis does not collect any personally identifiable information (PII) from its users. We do not request or store any personal data such as names, email addresses, or contact information.

2. Use of OpenAI API

MyJarvis utilizes the OpenAI API to provide users with an artificial intelligence (AI)-based communication experience. When you interact with the AI, your prompts and responses may be sent to OpenAI for processing. We encourage you to read OpenAI's Privacy Policy (<https://openai.com/policies/privacy-policy>) to understand how they handle and protect your data.

3. Use of Information

As MyJarvis does not collect any personal information, we do not use or share any data for marketing, advertising, or other commercial purposes. We solely rely on the OpenAI API to handle the user interactions with the AI and do not have access to the data sent or received during the conversation.

4. Security

We take reasonable measures to protect the information transmitted through MyJarvis. However, please note that no method of transmission over the internet or electronic storage is entirely secure. While we strive to use commercially acceptable means to protect your information, we cannot guarantee its absolute security.

5. Third-Party Services

MyJarvis may contain links to third-party websites or services. Please note that this Privacy Policy does not apply to those third-party websites or services. We encourage you to review the privacy policies of those third parties before providing any personal information.

6. Children's Privacy

MyJarvis is not intended for use by individuals under the age of 13. We do not knowingly collect personal information from children under 13 years of age. If we become aware that we have inadvertently collected personal information from a child under the age of 13, we will take steps to delete such information promptly.

7. Changes to this Privacy Policy

We may update this Privacy Policy from time to time to reflect changes in our practices or for other operational, legal, or regulatory reasons. We encourage you to periodically review this page for the latest information on our privacy practices.

8. Contact Us

If you have any questions or concerns about this Privacy Policy or our privacy practices, please contact us at contact@matheograil.info.

By using MyJarvis, you acknowledge that you have read and understood this Privacy Policy and agree to its terms.
